

ARA Aircraft

Safety

Pupils may be using very sharp hacksaws and knives – these will be with the catamaran group – you will be sharing – their use must be supervised at all times – make sure you are aware of the number at the beginning and at the end of the activity before the pupils leave.- return to the catamaran group – the best way may be to have an Ambassador on duty at the workbenches for the complete session. Gloves , safety Goggles And Aprons Are Available .

Give a safety talk on the equipment used –these hacksaws. and sand paper –all require responsible use .

Give safety message on the use of the air motors and the trip to the flight area

Projector and Laptop

You will be sharing a laptop and projector with the Catamaran group.

You time slots are 10:00-10:15 in session 1

11:30-11:45 in session 2

These are located under the stairs to your right as you face Eating Space

Please keep to you times

Session 1

Read out safety notice general

Give a safety talk on the use of equipment for this activity

Session 2

As above but they will not need the general safety notes
